If your reported Ending Count does not match these numbers, please go back through your data and be sure you didn't miss something (i.e., animals in foster, adoptions, transfers, etc.). If all animals have been accounted for and the reported Ending Count is different, please indicate in the comment section.

* Ending count is slightly off. May be off depending on the time kennel inventory was printed.

COMMENTS:

The breakdown of health status was estimated in Section B using percentages from Oakland Animal Services' 2010 data. Estimated sections are in gray.

I agree that in completing this form, we have used the Maddie's Fund definitions of “Healthy,” “Treatable - Manageable,” “Treatable - Rehabilitatable,” and “Unhealthy & Untreatable” as set forth in the attached document titled, “Maddie’s Fund® Categorizations/Definitions of Shelter Animals.”
